RE: Mine Unit 1 Wellfield Data Package Review, Strata Energy Ross ISR, Permit No. 802, TFN 6 3/162

Dear Mr. Griffin:

The LQD District 3 Office received the Strata round 1 review responses the Mine Unit 1 Wellfield Data Package on October 1, 2015 under your cover letter of September 30, 2015. A technical review of the materials has been completed and the LQD staff has no further comment. However, as previously stated, the LQD will not approve this permitting action until NRC concerns are adequately addressed. The LQD respectfully requests that correspondence from the NRC be provided upon confirmation that NRC concerns have been addressed by Strata Energy.

If you have further or comments or questions please contact Mr. Mark Rogaczewski at (307)675-5616.

Respectfully,

David Schellinger
Soils Specialist
LQD District 3
