Phil and Paulette,  
Just talked to John Fruits, he agreed to combine two exams from December and April to one scheduled on March 7 (or he is willing to arrange on different date. Paulette, please talk to him if you want to arrange a different date). I think Paulette can handle one exam since I have 3 exams (MUST, Utah, and NCSU) after coming back from the international workshop in February.

Thanks,

John

Paulette,

You need to get with John Fruits at MURR to work out the exam dates.  
Let me know so I can cancel the December travel.

Please update the schedule.  
I will go back to peer checking the written exam.

Thank both of you very much!
