Mr. Steven Toelle  
Director, Regulatory Affairs  
Centrus Energy Corp.  
6903 Rockledge Drive  
Bethesda, MD 20817-1818

SUBJECT: SUBMITTAL OF CHANGED PAGES OF THE EMERGENCY PLAN FOR THE  
AMERICAN CENTRIFUGE PLANT - ACO 15-0037

Dear Mr. Toelle:

This is in response to Mr. Mario Robles' letter dated December 9, 2015, (ACO 15-0037), submitting changed pages of the Emergency Plan (EP) for the American Centrifuge Plant to the U.S. Nuclear Regulatory Commission (NRC), pursuant to Title 10 of the *Code of Federal Regulations* (10 CFR) Paragraph 70.32(i).

We have completed the review of the submitted changes. The NRC staff has determined that the changes to the EP were properly submitted and in accordance with 10 CFR 70.32(i). The NRC staff has also determined that the changes do not decrease the effectiveness of the plan and, therefore, are acceptable.

In accordance with 10 CFR 2.390(d) of the NRC "Agency Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management Systems (ADAMS). ADAMS is accessible from the NRC Web site at: <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

S. Toelle
