ENCLOSURE 1

Affidavit

I, Stephen R. Cowne for Jay Laughlin, Head of Compliance of Louisiana Energy Services, LLC (dba "UUSA") at the URENCO USA (UUSA) Facility; that I am authorized on the part of said company to sign and file with the Nuclear Regulatory Commission ("NRC") this document; and that all statements made and matters set forth herein are true and correct to the best of my knowledge, information, and belief:

1. UUSA wishes to have withheld from public disclosure the following document:
Enclosure 2: Corrigendum to Design Information Questionnaire Revision 2
2. The information contained in 1 above for which exemption from public disclosure is requested is company business confidential. UUSA requests that this information be exempt from disclosure pursuant to the provisions in 10 CFR Part 2.390(b).
3. Public disclosure of the information cited in 1 above has the potential to result in substantial harm to the competitive position of UUSA, provide valuable business information to competitors of UUSA which they could duplicate without having to expend their own resources to develop, and reduce or foreclose the availability of profit opportunities.
4. The information sought to be withheld is not available in public sources, to the best of UUSA's knowledge and belief.
5. The information stated in this affidavit has been submitted in accordance with the applicable parts of 10 CFR 2.390 and the guidance contained in NUREG-1556, Vol. 20, Appendix C.4.
