Docket Number: 71-9337

TAC No L24361

Subject: Request for Renewal of CoC No. 9337 for the 3979A Package

Dear Mr. Allen

The CoC, US/9337/B(U)-96, for Croft package 3979A expires on the 31st January 2016 we hereby request timely renewal of this certificate to allow the continued use of this package. There have been no changes to the use or design of the package since the last approval. However some documents presented during the RAI process were not included in the SAR, therefore we have updated the appropriate pages of the SAR to include all the previously reviewed and approved documentation. No further information other than that already presented has been included.
