Subject: Docket Number 070-03098
CB&I AREVA MOX Services
Mixed Oxide Fuel Fabrication Facility
Inquiry Regarding Ownership of CB&I AREVA MOX Services

Per your request, CB&I AREVA MOX Services confirms that the ownership of the LLC is as described in the License Application (LA) Section 1.2.1 and is repeated below.

MOX Services is incorporated in the State of South Carolina as an LLC owned by CB&I Project Services Group, LLC. (CPSG), and AREVA, Inc. (AREVA). These two companies are the equity owners of the LLC (CPSG 70% and AREVA 30%).

While there are public SEC filings that represent the relationship of the parties with regard to specific financial issues, that percentage relationship is wholly independent of the ownership structure. The percentage ownership distribution between the parties is exactly as reflected above in the LA.

If you have any questions, please feel free to contact me at (803) 442-6485 or our Licensing and Nuclear Safety Manager, Dealis Gwyn, at (803) 819-2780.

Sincerely,

fa David Del Vecchio
President and Project Manager
