Subject: RAI, Resubmit

Discussion: I called Mr. Barron and told him that the NRC 314 form was only half filled out. I suggested that he submit a new one with a manager’s signature, along with supporting information like the PA license the material was transferred to or verification it was received by a waste vendor, and copies of leak tests from the devices with a statement that no source have been identified.

Action Required: Mr. Barron will send in a new request and verification information.
