Subject: RE: Westinghouse Request for Additional Time to Respond to DFP RAI
Date: Friday, December 18, 2015 7:51:00 AM

Ms. Parr,

The NRC staff approves the request to reschedule the response date of formally completing the response to a request for additional information dated November 17, 2015. This stems from a conference call on December 15, 2015, where the NRC staff conveyed their expectations for a response to RAI 10. Subsequently, Westinghouse had questions about RAI 3.

Westinghouse submitted a letter dated December 17, 2015, documenting the response to the remaining RAIs. Westinghouse also sent the NRC staff an advance copy of the same letter.

Formal responses to RAI 3 and RAI 10 are due by March 31, 2016.

Regards.

Chris Ryder
