Radioactive Materials License No License No. 15-35082-01

Dear Mr. Tran:

I am writing you in my capacity as Radiation Safety Officer at Kruger Technologies to inform you that our former Radiation Safety Officer on record, Seth Youree, has recently left our company. I formerly served as Assistant Radiation Safety Officer, but am now the primary RSO. I ask that you change our license to reflect this.

Please contact me if you have any questions or if there are additional steps to be taken to effect this change.

Sincerely,

Otto J. Kruger, Jr.
