Re: Notice of Proposed Change of Ownership: Indiana University Health Starke Hospital, LLC d/b/a Indiana University Health Starke Hospital (Radioactive Materials License #13-15399-02)

Dear Sir or Madam:

We are writing on behalf of Knox Hospital Company, LLC, a Delaware limited liability company ("Buyer"), and Indiana University Health Starke Hospital, LLC, an Indiana limited liability company ("Seller"). Pursuant to 10 C.F.R. § 30.34(b), the purpose of this letter is to provide notice to the United States Nuclear Regulatory Commission, Region III (the "NRC") of the anticipated change of ownership of Indiana University Health Starke Hospital in Knox, Indiana (the "Hospital") and to obtain the consent of the NRC to transfer control of the above-referenced Radioactive Materials License from Seller to Buyer, as discussed in greater detail below.

The parties are in the process of negotiating a definitive agreement that, subject to the satisfaction or waiver of certain conditions, will result in Buyer's acquisition of substantially all of the assets and operations of Seller, including the Hospital (the "Proposed Transaction"). It is anticipated that the Proposed Transaction will close effective as of February 1, 2016; however, the closing could take place at a later date depending upon the timing of regulatory and other necessary approvals.

Other than changes resulting in the ordinary course of business, no change in the local administrative management or day-to-day operations of the Hospital is anticipated as a result of the Proposed Transaction. In particular, the Proposed Transaction will not result in any change in the use, possession, location, or storage of licensed radioactive materials by the Hospital, nor will it result in any change in the Hospital's equipment, procedures, or personnel operating under the Hospital's current Radioactive Materials License.

Pursuant to the instructions of your office, we have enclosed as Exhibit A responses to the questions posed by the NRC in situations involving changes in ownership or transfers of control. If you have any questions or require any further information, please do not hesitate to contact Paige Miller, counsel for Buyer following the closing of the Proposed Transaction, at (615) 252-3886 or
