Dara,
We are issuing the FSEIS supplement today. Attached, please find a copy of our letter to Entergy and a copy of the FRN being transmitted to the Office of the Federal Register for publication. To conserve inbox space, I am sending you a link to the supplement, rather than a copy.

For your information, we are distributing the supplement mostly in electronic form. I am planning to send one hard copy to the addressee of the letter, and then I will send the extra copies to the Regulatory Affairs address, as discussed last week. That way, you can make sure that those that would prefer a hard copy get one.

If you have any questions, please let me know. If I don't speak to you before then, have a Happy Holiday season.

Thanks,

Mike
