Dear Mr. Freudenberger:

We have received your submittal dated November 19, 2015, transmitting a request to change the trustee for two standby trust agreements, and replace a letter of credit. Your request has been assigned Cost Accountability Code Number L33396. Please reference this number in any future correspondence associated with this request.

We have completed our acceptance review of your submittal and have identified no administrative omissions or deficiencies that would prevent us from proceeding with a detailed review. A complete review of this submittal may identify issues that require additional information.

Based on our preliminary review and projection of current review schedules, we anticipate completing our review by the end of May 2016. We recognize the need to execute the new letter of credit before the existing letter expires. Any requests for additional information will be made by the end of January. These dates could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.
