Hello Mike,

I have a FOIA request from Julian Tarver who needs to have copies of grants issued to the University of Washington, in Seattle Washington during 2012 to the current date today. Are you the appropriate subject matter expert (SME) to provide that information? If you are the right SME please provide an estimate of time that it would take for you to obtain this information **by July 31, 2015** by close of business.

A response with the data provided is due August 4th but if you think you need additional time to prepare the information it would be helpful for you to estimate the time you need before you begin to pull the information together to respond.

Thanks in advance for your support,

Sincerely,
Pamela

Hi Pam-

We do not have any records to the University of Washington in Seattle.

By the way, not sure why after AMD was questioned, that any further communication was necessary. AMD is the only office within NRC that issues grants. Therefore, if they answered no, it was no for the whole agency. Just trying to keep un-necessary email to a minimum.

Thanks,
