Good Day,

The subject action has been assigned to your division. Please have staff provide their initial fee estimates to me by 12 Noon, July 28, 2015.

FOIA Guidance is available in SharePoint to assist staff in providing fee estimates for this request.

Please add this action to your division tracking system and assign a due date giving division directors/deputies sufficient time for review and to allow you process the action. Tickets can also be accessed via ADAMS at the following location: ADM/PMDA Electronic Tickets/FY 2015 Electronic Tickets/FY 2015 Open Tickets.

The ADM FO and the Division Document Processing Flow Chart links are provided below to assist staff in responding to actions in a timely manner.

[Division Workflow Process](#)

[ADM FO Document Workflow Process](#)

When providing PMDA with status updates, ADM FO briefing dates, requests for closure, and/or responses to actions, please include RidsAdmMailCenter and your respective division AA(s) on email communications w/appropriate attachments. For overdue actions, please provide a new due date or notification as to when the action will be returned to the ADM FO for further review (per guidance, standard of 24 hours given to staff for rework.) For closeout notifications, the email should include the information the ticket requests (including attachments), as well as a statement such as "With this response, ADM2015xxxx is complete" (Note that a ticket number needs to be included to ensure proper closeout). Another option is to always include the division administrative assistant, and he/she can then forward a closeout email to PMDA if that process works better for the divisions.

If you have additional questions, please contact me at 415-8056.

Thanks,

Deanna

Hi Deanna,

I just realized that we were notified last week that the FOIAPAADM Resource mailbox wasn't working, and that we need to send taskings to you directly. When I asked ADM last Thursday for a fee estimate, I completely forgot. Below is the tasking, that was due today.

Please let me know if you did not receive the email below last week. If you are just seeing it now for the first time, I can see about extending the deadline. Or is the FOIAPAADM Resource mailbox now working?

Thanks,

Region 4 said they don't have any records, but told me that OCHCO is in charge of grants (but, of course!). I just tasked them. I first thought it was ADM, because I saw information for grant specialists on NEAT (the portal for contracts, etc., all through ADM). Now I know for the future!
