Exempt License 04-23959-01E, for Supra Brands Group

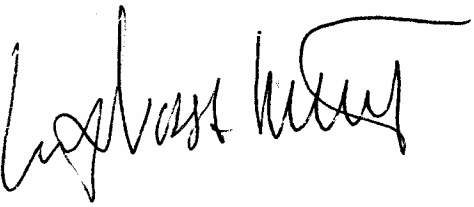

Dear Sir/Madam,

Please note that we have discontinued the importation of tanning lamps earlier this year and will be buying from a domestic company, duly registered with both the FDA and the NRC.

For this reason we ask that you terminate our Exempt License # 04-23959-01E effective immediately.

Under 10 CFR 2.390 (b)(4) we ask that our final report be withheld from public disclosure in that our competitors could – and would – use this information to their benefit. As the market leader with the most type of available lamp models this information, **specifically the type and number of lamps sold** would unfairly aid such competitors much to our company's detriment.

Sincerely yours,

  
Leif Vasstrom  
Principal  
Supra Brands Group, d.b.a. Supra Technologies
