Dear Mr. Gurdziel:

I am responding to your email of December 17, 2015 to "Chairman Resource" the subject of which is "Submitting a 2.206 Petition," in which you state that you could not find the enclosure to the quarterly January-March 2015 Report on the Status of Public Petitions. Your email was directed to me to respond as the 2.206 Coordinator for the agency.

You may find the subject status report with the enclosure at:
