Subject: RE: Section 106 Consultation Letter for US Army Request
Attachments: NRC Enclosure 2 - Tribal Response Form - Miami Tribe.pdf

Dear Mr. Lemont:

Aya, kikwehsitoole. My name is Diane Hunter, and I am the Acting Tribal Historic Preservation Officer for the Federally Recognized Miami Tribe of Oklahoma. In this capacity, I am the Miami Tribe's point of contact for all Section 106 issues.

In reference to the above-mentioned project, the Miami Tribe is not currently aware of existing documentation directly linking a specific Miami cultural or historic site to the site. However, as this site is within the aboriginal homelands of the Miami Tribe, should any human remains or Native American cultural items falling under the Native American Graves Protection and Repatriation Act (NAGPRA) or archaeological evidence be discovered during any phase of this project, the Miami Tribe requests immediate consultation with the entity of jurisdiction for the location of discovery.

The Miami Tribe offers no objection to the proposed project at this time. However, should human remains and/or cultural objects be discovered, regardless of initial determination as to site dating or cultural affiliation, please contact me at 918-541-8966, by email at dhunter@miamination.com, or by mail at the address listed below to initiate consultation.

The Miami Tribe accepts the invitation to serve as a consulting party to this project. In my capacity as Tribal Historic Preservation Officer I am the point of contact for consultation. The completed Tribal Response form is attached.

Sincerely,

Diane Hunter
Acting Tribal Historic Preservation Officer
Miami Tribe of Oklahoma
