## General Comment

NRC-2015-0063-0004 Reassessment of NRC's Dollar Per Person-Rem Conversion Factor Policy; Draft NUREG for Comment

PJ-4-1 "Federal Law prohibits discrimination against disabled persons. According to 29 U.S.C. 794, no person, solely by reason of their handicap, may be subjected to discrimination by any program or activity which receives federal funds. Since most of the entities involved in evacuating a population receive federal funds, it would be a contravention of federal law MA and NH to effectuate a plan that wholly ignores persons solely by reason of their handicapped status."

I find everything the NRC does the past few years to be absolutely reprehensible. This proposal is a crime against humanity and violation of laws regarding the elderly, disabled and infirm.

Stop the idiocy now before you cause massive lawsuits demanding fulfillment of protection of environment and health.
