Dear Mr. Mahmoud Haleem,

This is in reference to your letter dated December 11, 2015, submitting a decommissioning cost estimate for Nuclear Regulatory Commission License Nos. 08-02075-03, SUD-157, and SNM-164, Docket Nos. 03000638, 04006329, and 07000190. In order to continue our review, we need the following additional information:

1. Your new cost estimate is based on 18 laboratories while your previous cost estimate performed on September 26, 2012, was based on 27 laboratories. Please explain the change in the number of laboratories.
2. The labor rates and disposal rates have not changed since your September 26, 2012, cost estimate. Please provide documentation from your vendor which displays the rate for an independent contractor for each classification of worker and the current rate for disposal.
3. With the recent renewal of NRC License No. 08-02075-03, the amounts on the license have changed. Please submit a new Certification of Financial Assurance which reflects the new material license limits.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control Nos. 589685, 589686, and 589687. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter, facsimile (610-337-5269), or signed letter attached to an email. Please respond within 30 calendar days from the date of this e-mail..
