

AFFIDAVIT PURSUANT
TO 10 CFR 2.390

TN International
FRANCE

November, 20th 2015

I, Benoît FICHEFEUX, depose and say that I am Executive Vice President of TN International (AREVA Group), duly authorized to execute this affidavit, and have reviewed or caused to have reviewed the information that is identified as proprietary and referenced in the paragraph immediately below. I am submitting this affidavit in conformance with the provisions of 10 CFR 2.390 of the Commission's regulations for withholding this information.

The information for which proprietary treatment is sought is contained in Enclosure 1 and is listed below:

- Enclosure 1 - technical note referenced NTC-08-00118662-000 rev.1

This document has been appropriately designated as proprietary.

I have personal knowledge of the criteria and procedures utilized by TN International. in designating information as a trade secret, privileged, or as confidential commercial or financial information.

Pursuant to the provisions of paragraph (b) (4) of Section 2.390 of the Commission's regulations, the following is furnished for consideration by the Commission in determining whether the information sought to be withheld from public disclosure, included in the above referenced document, should be withheld.

- 1) The information sought to be withheld from public disclosure involves certain portions of the safety analysis relating to the design of the TN-BGC 1 package model, which are owned and are held in confidence by TN International
- 2) The information is of a type customarily held in confidence by TN International and not customarily disclosed to the public. TN International has a rational basis for determining the types of information customarily held in confidence by it.
- 3) Public disclosure of the information is likely to cause substantial harm to the competitive position of TN International because the information consists of descriptions of the design and analysis of the TN-BGC 1 package model, the application of which provides a competitive economic advantage. The availability of such information to competitors would enable them to modify their product to better compete with TN International, take marketing or other actions to improve their product's position or impair the position of TN International product, and avoid developing similar data and analyses in support of their processes, methods or apparatus.

Further the deponent sayeth not.

Benoît FICHEFEUX
Executive Vice President, TN International.
