Mr. Lawyer,

On closing of the change of control the new management contact will be:

Art Victorson – President Team, Inc. – IHT Division
Art.Victorson@TeamInc.com

We will also send over Art's additional contact information.

Also note that all of the employees who came from Hunting Testing maintain two email addresses in similar fashion to Don Adkins.

Please let us know if you any other questions or need additional information.

Thank you again.

Sincerely,

Will Fry

Mr. Adkins,

I am the reviewer for the proposed change of control. A couple of items that I would like cleared up.

1. Will Mr. Jay Goodyear, Executive VP, remain the management contact? Please respond if the transfer of control completes or if the deal falls through.
2. Is your email address changing. It seems odd that it is htandt.com.
