

UNITED STATES  
**NUCLEAR REGULATORY COMMISSION**  
WASHINGTON, D.C. 20555-0001

February 4, 2016

Mr. Michael Snee  
Bureau of Radiation Protection  
Ohio Department of Health  
246 North High Street  
Columbus, OH 43215

Dear Mr. Snee:

We have reviewed your response in the email dated January 14, 2016, to our letter dated January 13, 2016, which transmitted one comment on final revisions to the the Ohio Administrative Code Chapter 3701:1-44. Your response requested the recession of our comment on Ohio rule 3701:1-44-12(B)(4). We discussed our review of your request with you on February 2, 2016.

As a result of our review, we have modified the comment slightly, and it can be found in the enclosure. In making this determination we noted that Ohio rule 3701:1-44-12(B)(4) does not reference the most current version of 10 CFR Part 110, which was substantially revised on July 10, 2014, and most recently revised on December 1, 2015.

We request that when you revise your regulations to address our comment, a copy of the "as published" regulations be provided to us for review. As requested in NMSS Procedure SA-201, "Review of State Regulatory Requirements," please highlight the location of any changes made by Ohio, in response to our comment, and provide a copy to Division of Material Safety, State, Tribal, and Rulemaking Programs, NMSS. The SRS Data Sheet summarizes our knowledge of the status of other Ohio regulations, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the NMSS State Communication Portal: <https://scp.nrc.gov/rulemaking.html>.

M. Snee
