---

Hello Amy,

Thanks for the message. Unfortunately I can't find ML15331A129, nor the attachment to the license (ML15331A147). Would you be able to send them as attachments?  
thank you, Cory Harden, Hilo

Hello,

The U.S. Nuclear Regulatory Commission (NRCs) provided draft license conditions to the U.S. Army Installation Command (Army). You may find the NRC's letter with draft license conditions at ADAMS Accession No. ML15331A129 (Pkg.) [ML15331A143 (Ltr.); and ML15331A147 (Draft License Conditions).

Thank you.

Amy
