Subject: [External_Sender] Another Correction

Amy,

While preparing training materials for my pre-licensing visit to Fort Riley KS next week, I noticed a need for better clarity on one of the Fort Riley RCA figures and a need for a correction on the other Fort Riley RCA figure. See attached. I am hoping that you can substitute the attached file for the file I sent you on the CD and print the corrected page (and the page on the reverse side of the corrected page) and substitute it into the printed copy, without any further ado.

Sorry. Perfection is hard to achieve, at least for me.

Bob
