Subject: HDR Storage Room Change

Discussion: In the letter dated November 30, 2015, NIH requested an amendment to change the storage location for their HDR. The new storage location has the identical layout and safeguards for HDR security. I contacted the temporary RSO on 1/19/16 to confirm that the HDR will only be stored in the vault and not be used as a treatment room. According to Mr. Roberson the vault will only be used for storage of the HDR unit. There are no plans to use the new storage area for HDR treatments.
