Dear Dylan and David,

Today, I spoke with Kevin Ho of Jenbo USA (License No. 04-23986-01E). On November 19, 2015, I had talked with Kevin about providing missing annual reports of exempt distribution, and put a record of this conversation in ADAMS (ML15323A395). This conversation record included his current address:

Kevin Ho  
3984 Washington Blvd., #311  
Freemont, CA 94538

The telephone number that I had reached him at on November 19, 2015 was 408-661-2668.  
The telephone number that I used today was 408-888-8650.

I have also included Kevin on cc for this email.

I saw documentation in ADAMS, on which you are both on concurrence, indicating that an Order Revoking License dated November 25, 2015 was issued to Jenbo for nonpayment of fees for License Number 04-23986-01E, and that the Order was unclaimed and therefore, the Order Revoking License is not in effect (ML15365A082).

I told Kevin about this Order. I also told him that because Jenbo had gone out of business in 2015, he should request termination of its license and to do this he should send us a letter requesting termination and provide reports of transfers of license-exempt products from 2011 to the present in accordance with 10 CFR 32.16.

Please let me know if you need anything further concerning this case.

Regards,  
Eric
