file and serve a notice of appearance on or before March 11, 2016, containing all of the information required by 10 C.F.R. § 2.314(b).

The primary purpose of this oral argument is for the Board to ask questions and receive answers concerning contention admissibility issues presented by the pleadings. As to each contention, the Petitioner shall have 15 minutes to present an introductory argument, and the NRC Staff and the Licensee shall each have 10 minutes as well. The Petitioner may reserve up to 5 minutes of its allotted time for rebuttal. No other rebuttal will be permitted.

In general, the participants should not repeat arguments already presented in their written filings, but should focus on responding to the Board's questions. The argument is not an evidentiary hearing, and the participants therefore should not attempt to introduce evidence during the argument. The participants should advise the Board and the other participants no later than March 8, 2016 if they plan to refer to any type of visual aid during the argument. No material that is not already cited in the record before the Board should be used as a visual aid.

#### Public Attendance

The public is welcome to attend the argument, but space is limited within the courtroom. Additionally, only the parties' designated representatives will be permitted to participate in the argument. Those people wishing to attend the oral argument in person should contact the Board's law clerk, Cooper Strickland, at 301-415-5880 or Cooper.Strickland@nrc.gov, no later than Wednesday, March 9, 2016 to provide their names for security purposes.
