RE: Uranerz Energy Corporation, Nichols Ranch Project, Source Materials License SUA-1597,
Docket No. 040-09067, New Position Appointments and Licensee Contacts

Dear Mr. Persinko,

Uranerz Energy Corporation (an Energy Fuels Company) ("Energy Fuels") is pleased to inform you of new position appointments and contacts for licensed activities at the Nichols Ranch in situ recovery ("ISR") Project under U.S. Nuclear Regulatory Commission ("NRC") Source Materials License SUA-1597.

Mr. John McCarthy, Manager, Environmental, Safety and Health ("ESH"), will now serve as the first point of contact for the NRC on activities involving day-to-day operations at the Nichols Ranch Project. Mr. McCarthy will continue to provide oversight of ESH activities at the Nichols Ranch Project, including implementation of the radiation safety program, and can be contacted at 307-265-8900 or jmccarthy@energyfuels.com.

Ms. Dawn Kolkman, Permitting Manager, will assume oversight of permitting and licensing activities for Energy Fuels' ISR operations in Wyoming. Ms. Kolkman will continue to provide guidance and licensing support to the Nichols Ranch Project and will serve as the main point of contact for license amendments associated with future development projects (e.g., the Jane Dough Unit). Ms. Kolkman will continue to be located out of the Casper, Wyoming, office and can be contacted at 307-232-6674 or dkolkman@energyfuels.com.

As Mr. McCarthy and Ms. Kolkman will both be based out of Energy Fuels' office in Casper, Wyoming, future correspondence from the NRC should be sent to the following address:
