Emergency Plan, Revision 146 Correction

In performing a review, it was discovered that there was an error in Attachment 2, Plan Update Instructions for the Emergency Plan, Revision 146. Although the correct pages for the Emergency Plan were transmitted, the Plan Update Instructions inadvertently left off Section Q, Appendix 3, Alert and Notification System Description. The error has been corrected in the enclosed Attachment 2.

By copy of this letter, two copies of this document are being provided to the NRC, Region II.

If there are any questions, please call Tom Arlow at (803) 701-4027.

Very truly yours,

Kelvin Henderson
Vice President, Catawba Nuclear Station
