Docket Nos. 50-269, 270-287

Dear Mr. Case:

In a March 23, 1977 meeting at the Jocassee Dam with members of your staff and in a May 20, 1977 letter you requested that a short-term report be submitted which compiled all information previously submitted with regard to the Jocassee Dam. Additionally, specific questions were to be addressed as outlined in the May 20, 1977 letter.

Pursuant to this request, please find attached nine copies of the requested report. Items (c)4. and (c)5. of the May 20, 1977 letter will be submitted by September 15, 1977. Please note the quarterly monitoring reports through May 31, 1977 are included in this document.

Very truly yours,

William O. Parker, Jr.
