Reference: Letter - Brian K. Grimes to James H. Taylor,  
"Request for Additional Information, Integrity  
of Control Rod Guide Tube," June 13, 1978.

Dear Mr. Grimes:

B&W is in receipt of your letter of June 13 (Reference) plus your correspondence with our customers. We are presently working with our customers to answer your request for information. It is anticipated that the collection of information to properly respond to your request will take about four months. Since the utilities are responsible for collecting information and answering questions concerning their plant, the information will be supplied directly by the utilities, with our assistance. If additional information is required, please contact the appropriate utilities.

Very truly yours

James H. Taylor  
Manager, Licensing
