RE: Oconee Nuclear Station
Docket Nos. 50-269, -270, 287

Dear Sir:

Please find attached information concerning the performance and operating status of the Oconee Nuclear Station for the month of May, 1975. The operating status form has been revised to be compatible with the changes instituted in your May, 1975 NUREG -75/020-5 report. Due to the extremely short time interval between issuance of your report and the due date for the May, 1975 data, the cumulative reactor availability factor and the cumulative unit availability factor have not been included. This data will be included in future monthly reports.

Very truly yours,

A. C. Thies
