United States Department of the Interior

OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20240

August 14, 1970

Dear Mr. Price:

This is in response to your letter of July 22 transmitting our comments on the draft environmental statement prepared by the Duke Power Company for the Oconee Nuclear Station, Units 1, 2, and 3, AEC Docket Nos. 50-269, 50-270, and 50-287.

We are reviewing the statement and other pertinent material. Because of the complexity of the project, additional time will be necessary for us to comment on the statement. Accordingly, our comments will be provided to you about September 7.

Sincerely yours,

Leslie S. Glasgow

Assistant Secretary of the Interior

Mr. Harold L. Price
Director of Regulation
Atomic Energy Commission
