Re: Oconee Units 1, 2, & 3  
Docket Nos. 50-269, -270, and -287

Regulatory

File Cy.

Dear Dr. Morris:

Duke Power Company is filing herewith a revision, dated June 26, 1970, to Amendment No. 13 to its Application for Licenses for the Oconee Nuclear Station, which is under construction pursuant to provisional construction permits CPPR-33, -34, and -35 issued by the Commission on November 6, 1967.

This filing includes a revision to the Amendment Document and a revised letter to replace the transmittal letter addressed to Dr. Peter A. Morris.

Please replace the second page of the Amendment Document with revised pages 2 and 3 dated June 26, 1970 and the transmittal letter dated June 22, 1970 with the revised letter (consisting of two pages revised June 26, 1970).

These revisions are necessary in order to designate Babcock & Wilcox Topical Report BAW-10023, "Computer Codes and Methods Used in Performing LOCA Analyses," dated June, 1970, as "PROPRIETARY".

Sincerely,

A. C. Thies
