Dear Mr. Giambusso:

Transmitted under separate cover are 60 copies of BAW-10054, "Fuel
Densification Report," and BAW-1387, "Oconee 1 Fuel Densification Report."
The above two reports are proprietary B&W reports. Non-proprietary
versions of these reports will be submitted by January 19, 1973. These
reports are submitted to provide relevant information concerning fuel
densification and are in response to your letter of November 20, 1972.

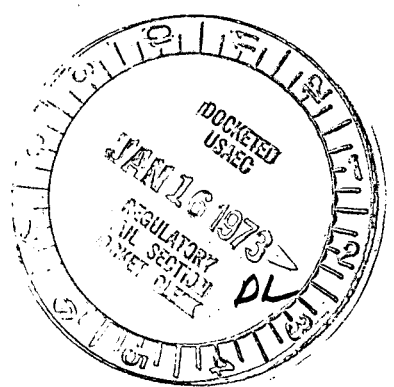

These reports will be incorporated into our license application at the
time of the next amendment.

Very truly yours,

A. C. Thies
