Docket Nos. 50-269, -270, and -287
Amendment No. 26 to Application

Dear Mr. Morris:

On March 29, 1971, Duke Power Company filed Amendment No. 26 to its Application for Licenses for the Oconee Nuclear Station which included 12 copies of a bound document entitled, "Answers to Attorney General's Question Attached to Dr. Peter A. Morris' Letter of February 25, 1971."

We would like to call to your attention that there is a typographical error on Page 13-9 of this document. The error is in the effective date of the fourth item tabulated on this page. The effective date for the Greenwood County Electric Power Commission should be 7-1-66 instead of 11-20-66. Please correct this date on your copies of this document. A copy of the corrected page is enclosed for clarity.

Sincerely,

A. C. Thies
