Re: Oconee Nuclear Station
Docket Nos. 50-269,-270,-287

Dear Mr. Rusche:

With regard to Mr. R. A. Purple's letter of August 29, 1975 concerning additional information required to support our conclusion on the acceptability of the Oconee Spent Fuel Cask Handling System, the attached response is provided. The response demonstrates that the consequences of the highly unlikely postulated spent fuel cask drop accident are within guidelines established in 10CFR100.

Very truly yours,

William O. Parker, Jr.
