Dear Dr. Morris:

In re: AEC Docket Nos. 50-270A
50-287A

By your letter dated February 25, 1971, received at Duke Power Company on March 1, 1971, you transmitted the requests of the Attorney General for further information on the Duke Power system, in connection with the pre-licensing antitrust review of Duke Power Company's Oconee Nuclear Station. Your letter requested that the information be submitted as an amendment to our application in the above Docket, within 25 days from the date of your letter. The information requested is voluminous and we are still assembling it. We have determined that we cannot complete gathering the information within 25 days and respectfully request an extension of time to and including Monday, April 5, 1971.

Sincerely yours,

Carl Horn, Jr.,
Executive Vice President
and General Counsel
