SUBJECT: CLOSURE OF INTERIM REPORT

By letter dated December 4, 2014, Chicago Bridge & Iron (CB&I) Power Division (now called WECTEC LLC) submitted an interim report pertaining to evaluation of some deviations associated with procurement documents and materials for AP1000® project construction. This interim report is in the NRC reporting system as Log No. 2014-88-00.

An evaluation of the conditions was completed and found to be not reportable under 10 CFR Part 21 based on no identified defect or substantial safety hazard. The quality assurance issues were determined to be associated with circumstances previously reported under 10 CFR 50.55(e). The reports are identified as NRC Log Numbers 2015-06-00, 2015-06-01, and 2015-09-00.

If you have any questions pertaining to this information, please contact Curtis Castell, Licensing Manager, at 980-321-8314.

Sincerely,

David Durham
