NOTICE OF ANNUAL ORGANIZATION OF AGREEMENT STATES AND CONFERENCE OF  
RADIATION CONTROL PROGRAM DIRECTORS COMMISSION BRIEFING (STC-16-011)

**Purpose:** To provide notice of the Annual Organization of Agreement States (OAS)/  
Conference of Radiation Control Program Directors (CRCPD) Commission briefing to be held at  
the U.S. Nuclear Regulatory Commission (NRC) Headquarters, Commissioners' Conference  
Room, located in the One White Flint North Building, Rockville, Maryland, on April 19, 2016,  
from 9:30 – 11:30 am EST.

**Background:** The Annual OAS/CRCPD Commission briefing provides an opportunity for the  
OAS and CRCPD Executive Boards to inform the Commission of radioactive materials policy  
and regulatory issues of mutual interest. The Annual OAS/CRCPD Commission briefing  
originated from a routine annual letter that was presented to the Commission following the OAS  
Annual Meeting, discussing areas of concern between the Commission and the OAS. After  
several Commission briefings by the OAS, the CRCPD was invited to participate in the annual  
Commission briefing as the two organizations, OAS and CRCPD, developed a closer working  
relationship.

**Discussion:** The purpose of this briefing is to discuss, with the Commission, nuclear issues  
and activities, and to gain valuable perspective into each party's programs, policies, and  
concerns. The participants of the briefing usually include the Chair, Chair-elect, and past-Chair  
of the OAS and the CRCPD. The Annual OAS/CRCPD Commission briefing is a public  
meeting. The meeting will also be accessible for viewing at  
<http://www.nrc.gov/public-involve/public-meetings/webcast-live.html>. Viewers are encouraged  
to visit the site in advance of the scheduled day of the briefing to verify that their computer  
system contains the appropriate software for viewing the briefing. The Web site contains  
information on the software necessary for viewing and where to obtain system upgrades to  
allow webcast viewing. Please inform the point-of-contact listed below by March 4, 2016, if you  
wish to attend. We will pre-register you in NRC's security system to obtain prompt access  
onsite to the One White Flint North Building.
