Steve

Please remove the following individuals from the electronic reading room access list:
Ward Jeff (Jeff Ward), Alex Uriate and Laura Aston.

Also you can probably remove Myrisha Lewis but I have ccâ€™d Bob Weisman on this email, he can provide the final approval for her removal from the list.

Thank you.

Alicia

I have attached the list of active members for our electronic reading room. If any additions or deletions are required we should be able to process quickly.

Thanks

Our electronic reading room was migrated to an updated platform. This means any active user who still needs access will need to re-register. They should have received an email similar to the one below today.

All documents from the old reading room have been transferred over to the new platform which will be activated later today (1/6/16).

Thanks
