Re: Registration Number GL-7639-19

Dear Sir or Madame,

Please be advised that our ownership changed effective January 1, 2016. The J. M. Smucker Company sold our plant (Milnot) and our El Paso, TX, plant to Eagle Family Foods Group, LLC. The device identified with Device Key 681334 was transferred along with the plant. The management and employees at the plant has remained the same through transition.

Eagle Family Foods Group, LLC, affirms that we understand the regulations regarding this device and that we will continue to follow these regulations. We further affirm that we accept responsibility for this device.

Please feel free to contact me at 417-291-4960 with any questions or concerns

Regards,

Charles Swanson
HSE Leader
