Re: Indian Point Nuclear Generating Station, Unit 2 and Unit 3
Docket Nos. 50-247-LR/50-286-LR; ASLBP No. 07-858-03-LR-BD01

Dear Administrative Judges:

The State of New York respectfully submits the State of New York's Motion for Leave to File Additional Exhibits. The six proposed exhibits are NYS000583 through NYS000588. The State has marked exhibits NYS000583 to NYS000586 as containing Westinghouse-designated proprietary information, and they will be uploaded and served via the NRC's Electronic Information Exchange's non-public filing portal along with a non-redacted and non-public version of the State's motion. The remaining exhibits, along with a redacted and public version of the State's motion, the supporting declaration of Assistant Attorney General Lisa Kwong, and a revised NYS Track 2 Exhibits List (NYS000589) are being filed via the public portal of the NRC's Electronic Information Exchange.

Certificates of service will also be provided.

Respectfully submitted,

Signed (electronically) by

John J. Sipos
Assistant Attorney General
