Re: Amendment of Materials License No. SUC-1593 to Include Additional Sites that Possess Depleted Uranium From the Davy Crockett Weapon System

Dear Mr. Persinko:

Thank you for your October 21, 2015 letter and November 12, 2015 additional information on the above referenced license amendment. Based on the information provided and our review of the license amendment, an archaeological or cultural historic survey should not be necessary for the proposed project area. We concur that the proposed undertaking should have No Effect to Historical Resources.

Should the project plans change, or should additional information become available regarding cultural resources or citizens' concerns regarding impacts to cultural resources, please submit that information to our office as additional consultation may be warranted.

Should you have any questions, feel free to contact Nick Laracuente of my staff at 502.564.7005, extension 122.

Sincerely,

Craig A. Potts,
Executive Director and
State Historic Preservation Officer
