Subject: New Fee Rule, and locations of use.

(This is the title that will be used in ADAMS)

Discussion: I left a message on 12/28/2015 and Mr. Baratta called me back on 12/29/2015. I talked to Mr. Baratta about the new fee rule. He said that he was working on an amendment to remove some locations of use. I told him that the specific address needed to be listed on the license and some of his needed amended. In particular the main location which is at 104 Holton Street needs added to the location of use address and the 158-15 Liberty Avenue location is not understood what the -15 means but needs to be one address. He stated that they planned to remove the Atlanta, Georgia; Irvine, California; and Lakewood, California locations. I also discussed that we would change his program code to 03613 since the locations were in multiple regions.

Action Required: Mr. Barratta said he would submit in an amendment request.
