NRC Representative Name/Title: Dennis Lawyer / Health Physicist

Subject: RAI, Documents Needed.

Discussion: I called Mr. Baratta and discussed that I needed some information for his amendment request. Because of the fee rule, I need to add an address to the main location of use. He stated it was as the mailing address, 109 Holton Street, Winchester, Massachusetts. I stated that I need the leak test from the device shipped from the Alameda, California location. It item 2 of his amendment request stated that there was a decommissioning report. Please submit that report. I am unclear about what 158-15 address means at the Jamaica, New York location. Mr. Barratta said that it was one building only at that location. I also stated that he previously told me that he was going to remove the Irvine, California location. Mr. Barratta said that he does not have the survey yet and would be submitted at a later time.

Action Required: Mr. Barratta said he would send in the leak tests and decommissioning report. He would try and get an explanation about the street address for the Jamaica location.
