**Subject:** Clarification of amendment request  
(NOTE: This will be used as the Documents Title in ADAMS)

I needed to clarify if this action involved a license name change and/or a change of control. The licensee indicated that it was neither. Ronald Bloom, M.D. is still a partner and the President of Cottage Grove Cardiology. The request is to allow Carolyn Kosack, M.D. to sign future amendment requests on his behalf. I asked that the licensee submit a new letter signed by Dr. Bloom that specifically requests that Dr. Kosack be allowed to sign future amendment requests on Dr. Bloom's behalf. Ms. Clapp confirmed that they would be resubmit the request.

**Action Required:** Wait for additional information and then process license amendment.
