ATTENTION: Document Control Desk/Exempt Distribution

Control Desk Personnel,

The subject of this letter is the transfer of byproduct materials by WHITE STAGG LLC in the form of ionization chamber smoke detectors containing not more than 1 micro curie of Americium-241 per detector in the form of a foil and designated to protect life and property from fires.
Reference North Carolina Radioactive Materials License Number 060-1543-1 and NRC Exempt distribution License 32-35253-01E.

No transfer of byproduct material has occurred during physical year 2015.

Respectfully submitted,

Donald M. Clarke, Jr.
Radiation Safety Officer
