Subject: Specific Address at location of use at the Experimental Station.

Discussion: I talked to Ms. Petrillo to discuss the location of use on the license. I talked to her about the new fee rule and that I was reviewing locations of use on the licenses. The location for the Experimental Station was unclear in that it lists 700-779 Powder Mill Road. Ms. Petrillo said that the address has changed to 200 Powder Mill Road. This would be clearer. I asked her to review her financial assurance to ensure there wasn't an issue with the change of address and perhaps to state that the new address was equivalent.

Action Required: Ms. Petrillo will send in an amendment request to change the address of the Powder Mill location.
