SUBJECT: Comments regarding draft ISG NUREG 1537 Docket ID NRC-2012-0167

Thank you for the opportunity to comment on the draft Interim Staff Guidance (ISG) for NUREG 1537 which updates Chapter 7 regarding instrumentation and control license applications and amendments for Non-Power Utilization Facilities (NPUF).

I am writing to add my support to the comments submitted on 01-Feb-2016 by the following parties:

- Mark A. Trump of the Penn State Breazeale Nuclear Reactor
- Thomas H. Newton Jr. of the NIST Center for Neutron Research
- Daniel J. Cronin
- Andrew Kaufman

These submissions identify specific concerns regarding the proposed changes to NUREG 1537, I request that you give due consideration to their comments.
